Truly an American family tradition, OW Lee Company was established in Pasadena, California, by Oddist W. Lee in 1947 as a wrought-iron gate manufacturer for the luxurious estates of Southern California. Due to increased requests from local patio furniture store owners, Oddist began to design and sell high-end patio furniture directly. In 1954, he incorporated under the name OW Lee Company.

Oddist's son, Bob, joined his father after high school and continued in the business after Oddist retired. Throughout the 1970's, 80's, and early 90's, Bob Lee and his wife, Beverly, established OW Lee Company as a well-known and reputable manufacturer in the ever-growing casual furniture industry. In 2008 Bob and Beverly received the Lifetime Achievement Award from the International Casual Furnishings Association in recognition of their exemplary contributions to the casual furniture industry and to their communities.

The third and fourth generation of the Lee family maintains Oddist's commitment to quality more than 60 years later. Bob's son Brian, daughter Terri, and son-in-law Chris are continuing to build OW Lee into the premier name in casual furnishings. The OW Lee name stands for quality, and as a family-owned business, they have pledged to continue the tradition started in 1947.

OW Lee furniture is available only from authorized dealers throughout the United States and Canada. Through three generations, OW Lee has maintained its commitment to quality and continues to produce the finest handcrafted casual furniture available. OW Lee, an American family tradition since 1947.

MADE FOR GENERATIONS

OW Lee uses only the highest quality materials in the production of their furniture. Carbon steel, galvanized steel, and 6061 alloy aluminum are meticulously chosen for superior strength. Materials are individually measured and precision cut to ensure a smooth and accurate fit. Steel and aluminum pieces are bent into exact shapes and then hand forged with a hammer and anvil, a process unchanged since blacksmiths in the middle ages.

A full circumference weld is applied wherever metal components intersect. This eliminates the possibility of moisture entering the interior of tubing or in a crevasse, a process that guards against rust and corrosion. All welds are then ground and sanded to create a seamless transition from one component to another. Frames are blasted with tiny steel particles to remove dirt and oil from the manufacturing process, which is then followed by a five-step wash and chemical treatment to create the optimum surface for the final finish. A hand-applied zinc rich epoxy primer is used to create a protective undercoat against oxidation. This prohibits oxidation or rust from spreading and helps protect the final finish. The top coating of durable super-polyester powder is also hand applied and then oven-cured to ensure a fade resistant finish.

Along with the handcrafted frames, the highest quality outdoor fabrics are used in creating custom tailored cushions that follow the lines of the collection and fit each piece of furniture perfectly. To prevent mildew and water retention outdoor quality PlushComfort® and open-celled foam is used in the cushions with high quality GORE® Tenara® thread for longevity.

Porcelain Tiles are fired in a kiln at an extremely high temperature making them moisture resistant and then applied to a lightweight aluminum honeycomb substructure for added strength. The top is then perfectly fitted in the rim by hand.

13' Cantilever Umbrella

- Sand or water fillable base (375-400 lbs.)
- Step on 360° Rotation
- Canopy tilts 90° side to side

9' Collar Tilt Market Umbrella

- Collar Tilt Frame eliminates over-cranking which may snap the line.
- Collar Tilt allows for unlimited tilt angles unlike push button tilt which only offers one tilt position.

CARE & MAINTENANCE

Metal Frame Maintenance

OW Lee metal furniture is designed to require minimum maintenance. Metal frames should be kept clean. Do not let dirt build up on the metal frames. Cleaning with mild soap and water, and seasonal touch-up of any scratches, chips or occasional rust seepage from crevices or hidden, unfinishable surfaces inherent in some ornate designs is required. Touch-up pens in matching frame colors are available through your retail dealer. Never leave furniture standing in water. To keep your furniture looking its best, you may wish to store or cover your furniture when not in use for an extended period of time.

Cushion Care

OW Lee offers quality 100% solution dyed acrylics and only the finest outdoor foam and fiber fillings. Fabrics have been treated to resist stains and water before leaving the factory. Regular cleaning with mild soap and water using a sponge or soft scrub brush is all that is required.

Porcelain Tops Regular cleaning, using a damp rag with plain water to remove minor dirt and dust is all that is required. All-purpose household cleaners can be used on porcelain tile. Soapless detergents such as Spic and Span® or 409® can also be used. Rinse with clean water and wipe dry to prevent water spots. Cleaning products available from your local grocery or hardware store can be used to remove soap scum, hard water deposits,

and mildew stains from the tile. Be sure to consult the cleaning product's instructions to ensure the product is recommended for your type of tile. After cleaning, rinse well and wipe dry. For detailed information on the care and maintenance of your OW Lee Porcelain tops, please visit www.owlee.com.

Authentic Hammered Copper Table Tops Use only light hand soap and water to clean regularly. We recommend non-alkaline hand soap. Do not use an abrasive pad or scrub profusely when cleaning. Copper is a relatively soft metal and will scratch or mar if too much force is used when cleaning. We recommend softly cleaning with a cotton wash cloth or rag. Copper is a "living surface". Use coasters and placemats when enjoying the Hammered Copper Table Top. Acids in soft drinks, beer, or any number of beverages may interact with the patina coating. The same is true for a variety of foods. We recommend you keep the table top dry. Continued exposure to water, i.e. repeated exposure to sprinklers or rain may cause the top to oxidize, causing the top to patina. If your top is scratched or comes into contact with an acid, a shiny spot of bare copper may appear. The spot will eventually age back to the original dark brown finish over time.

RETAIL WARRANTY

All warranties apply to the original owner only, and begin at the date of purchase. Proof of purchase is required with all claims.

Frame Your OW Lee frame comes with a twenty (20) year structural warranty when properly maintained in ordinary home use. OW Lee will, at factory option, repair or replace any OW Lee furniture that has failed structurally during normal use and regular maintenance.

Finish OW Lee offers a five (5) year warranty for frames against blistering, peeling, or fading of the frame finish under normal use and proper maintenance. OW Lee will, at factory option, refinish or replace your OW Lee furniture if the above occurs within a five year period from the date of purchase. Occasional rust seepage from crevices and hidden unfinished surfaces inherent in some ornate wrought iron designs is considered a care and maintenance function and is not considered a finish failure. To retain the warranty, regular care and maintenance is required. Extra care and maintenance is required in coastal areas.

Cushions OW Lee offers a two (2) year warranty on the quality of the craftsmanship and construction of the cushion, as well as any fading or discoloration of the fabric, which has been properly maintained as listed in our care and maintenance instructions. Loss of firmness with extended use is inherent to cushioned products and is not considered a failure. OW Lee will, at factory option, repair or replace your OW Lee cushions if determined defective as listed above within a two-year period from the date of purchase. C.O.M. fabrics are not covered under this warranty.

Porcelain Tops OW Lee offers a five (5) year warranty on all Italian Porcelain tops from date of delivery. This limited warranty covers the workmanship and structural integrity of the top. Samples displayed or provided to customers are a representation of that series color and are not expressed or implied to be identical. Porcelain tiles are manufactured to mimic natural stone. Some unevenness in the table top surface is considered normal. OW Lee will, at factory option, repair or replace any tabletop found to be defective during this warranty period. Regular maintenance must be exercised as set forth in the care instructions.

Authentic Hammered Copper Tops OW Lee offers a two (2) year warranty on all authentic hammered copper tops from date of delivery. This limited warranty covers the workmanship and structural integrity of the top. The uniqueness of this of the natural materials rests in that no two pieces are ever alike. OW Lee will, at factory option, repair or replace any tabletop found to be defective during this warranty period. Regular maintenance must be exercised as set forth in the care instructions.

Cast Metal Tops O.W. Lee offers a five (5) year metal frame warranty on its cast/metal hearth and table tops. To retain its warranty, touch-up any scratches or chips. OW Lee will, at factory option, repair or replace any tabletop found to be defective during this warranty period. Regular maintenance must be exercised as set forth in the care instructions.

In the event the furniture style, frame finish, fabric or table top has been discontinued, OW Lee will replace the product with a similar item.

Fire Pit Component Parts O.W. Lee extends a two (2) year warranty on all burner components under normal use and proper maintenance. OW Lee will, at factory option, repair or replace any outdoor fire pit burner found to be defective during this warranty period. Regular maintenance must be exercised as set forth in the owner's manual. For more information go to www.owlee.com.

Other Component Parts Purchased component parts such as glides, bolts, wheels, 9' market umbrella frames, etc. that fail due to a manufacturers defect within two (2) years from the date of

purchase, fabric fire pit and furniture covers and umbrella bases that fail due to a manufacturers defect within one (1) year from the date of purchase, or 13' cantilever umbrella frames that fail due to a manufacturers defect within five (5) years from the date of purchase, OW Lee will, at factory option, repair or replace the part in the original color or style, or a similar color and style if the part has been discontinued.

Items Not Covered Under Warranty (Residential)

- This warranty does not apply to any damage caused by shipping, accidents, fading, staining, natural weathering, misuse, alterations or repairs. No other person is authorized to assume liability on behalf of OW Lee, and in no event shall OW Lee be liable for any contributory or subsequent damage related to the merchandise purchased from OW Lee.
- Any failure caused by unreasonable use or abuse.
- Rust seepage or bleeding from crevices or hidden, non-finished surfaces inherent in some ornate wrought iron designs;
- Rusting and/or oxidation of frames resulting from exposed metals that have been scratched, chipped or not maintained as outlined in the care and maintenance instructions;
- Natural fading or discoloration of fabrics beyond warranty period;
- C.O.M. fabrics (customer's own material);
- Normal fading of frame finish;
- Accidental damage (including fire, wind or other acts of God).
- Permanent stains caused by lotions, oils or other substances.
- Hard-water deposits or calcium build-up due to minerals found in regional water supplies.
- Table/hearth tops or bases installed and/or used with other manufacturer's table bases, table, or hearth top, or incorrect installation of the base to the table top.
- Furniture used for commercial or institutional use. (See Commercial Warranty at owlee.com.)
- Items that are repaired, refinished or otherwise modified by any person or entity other than OW Lee.

Please Note: Regular maintenance must be exercised as set forth in the care instructions.

Return of Furniture PRIOR AUTHORIZATION from the factory or factory representative is required. You must be the original purchaser and be able to provide proof of purchase when you make a claim. To submit a warranty claim, contact the dealer where you purchased your furniture. If you are not sure how to contact the dealer, contact our warranty department at (800) 776-9533, via fax: (909) 947-6614 and/or via email at owleera@gmail.com.

If the complaint is covered by warranty and the furniture returned within 24 months from the date of purchase. OW Lee will arrange for freight pick-up and pay the surface freight from the dealer location to the factory. The consumer is responsible for freight charges to and from the factory if beyond the timeframe stated above. Return furniture must be cartoned for freight pick up. Furniture must have been used only for residential use as defined in the original purchase order.

Except as expressly provided herein, OW Lee makes no warranties, whether express or implied including, but not limited to, warranties of merchantability and fitness for a particular purpose. OW Lee's limited warranty claims may only be processed directly through OW Lee by the dealer who made the sale of the merchandise.

In the event the furniture style, frame finish, fabric or table top has been discontinued, OW Lee will replace the product with a similar item currently offered by OW Lee.
